OLIVER TWIST

INTRODUCTION

Read the story as Oliver Twist tells it to you!

“Hello, everyone! My name is Oliver Twist and I’m going to tell you my incredible adventure. You see, I was an orphan but I found out I was rich!

It all began when I escaped from the orphanage and I was forced to be kept inside a basement starving and without a warm bed to sleep to. I had to escape there as well.

But there... I found some other kids! They were orphans as well and they made a living by stealing the rich people at the London Train Station. I became friends with them and they seemed good boys...

Until they made me get caught by the police! Luckily, Mr Brownlow dropped the charges and was very kind to me.

But I had to teach my orphan friends a lesson and stop doing bad things!

Do you want to find out what did I do? Well... you’ll have to wait then!
